

COVID-19 VACCINE HESITANCY & UPTAKE SURVEY

-Questions for the Vaccine Uptake Awareness Campaign in Black Caribbean Community in Tower Hamlets

Introduction: The Newham African Caribbean Resource Centre is carrying out this survey on behalf of Tower Hamlets Public Health to obtain the views and insights of the Black Caribbean Community living, working and studying in Tower Hamlets to enable them to have a better understanding of the vaccine hesitancy within the community. This is to enable the Public Health team to better equip the Community with the necessary information to make informed decision about the Covid-19 vaccine uptake.

1.	Do you live, work or study in Tower Hamlets?	Yes	Post Code	No	Notes
